

Cormorants at the Beach — Mixed Watermedia!

Like to paint birds? Looking for a different way to mask out whites? Want to create interesting textures? Use acrylic inks and watercolors combined? We will explore all this as well as composition and creating interesting water in the ocean! Bring several pieces of paper, watercolors, acrylic inks, saran wrap, and a hair dryer. Bring your own photo references or use the ones supplied. Bring ox gall liquid (you can buy synthetic ox gall liquid), a hair dryer, several pieces of paper, watercolor supplies and acrylic inks or high flow acrylics. For darker spaces bring some Higgins waterproof black ink. You will also want an eyedropper to squirt water. Class will include a demo.
