

Flying Geese in the Sunset—in Acrylic!

Like to paint birds and sunsets? Want to use all of those lovely sunset colors? Like to put your impressions on the canvas? This class will concentrate on color mixing to make beautiful colors and how to create interesting brush strokes. We will talk about composition, address the perspective of the sky and talk about values, tints, tones and shades to make the geese seem touched by the sunset colors. Bring one or 2 canvases coated with orange paint, all your acrylic supplies and your imagination! Bring sunset photos if you have them, Class will include a demo. Plan to have FUN!
