

## Meadowlark in Acrylic!

Love the lovely spring colors of the meadowlark? Want to paint more impressionistically? Seeking to create distance in your work? Want to learn more about color mixing and composition? This workshop will include all this and more! Class will cover how to plan out your piece using directional lines, how to change colors as they recede into the distance for more effective distance perspective, and how to mix paints to create beautiful colors. Bring one or 2 canvases toned with orange paint, all of your acrylic supplies and your imagination! Class will include a demo.
