

## Paint Pansies in Watercolor

with **Melissa Gannon**

Seeking to make a more passionate statement? Want to loosen up your watercolors? Want to become comfortable dropping in multi-colored washes? Learn about composition? How to make your painting really 'POP'? All this and more will be covered as well as using salt, ox gall liquid, and granulation medium for texturing. Bring all of your watercolor supplies plus ox gall liquid, granulation medium, masking fluid, and saran wrap. Plan to paint multiple versions with different color combinations so bring plenty of paper. Reference photo will be provided and I'll try to have real pansies as well.
