

Towhee & Blackberries—Acrylic!

Love towhees and blackberries and the contrast of the deep purple of the berries with the bright greens of the leaves? Want to paint this contrast more effectively? Been wondering about how to use various tints, tones and shades to bring colors alive? We will address all of this as well as how to create a foreground, middleground and background in this piece. We will talk about how to create interesting shapes and values to create a more dynamic design. Bring one or 2 canvases toned with orange paint, all of your acrylic supplies and your imagination! Class will include a demo.
